

The 8th China Water Forum, Beijing, Aug., 2-4, 2010

**Title: Agriculture, Eco-water Security
& water science in cold region to
changing Environment**

Other opportunities of GWSP-ANSO

- **InterAcademy Council (IAC) / Inter- Academy Panel (IAP)** are developing Water Programme (WP) , key persons of Chinese Working Group for IAC-WP are mostly come from GWSP-ANSO CNC-GWSP.
- Why not GWSP try to involve and approach a “**Win- Win**” way collaborated with IAC, IWRA & WAAP etc.?

Perspective on GWSP Research in China

A proposal on 2011 GWSP-SSC meeting & Symposium in China

Title: Impacts of Climate Change on Water Resources in Arid and Semi-arid Regions

Sponsor: IWRA, Xian University of Technology

Co-sponsors: GWSP, IAC / IAP etc.

Date: October 19-21, 2011

or April, 2011

Venue: Xian

Organizers: ANSO-GWSP, CNC-GWSP, IGSNRR-CAS etc.

Any suggestions are welcome!

Famensi Museum

Challenges in the future

- (1) How to develop a workable plan in Asia region on the global observation /data network of GWSP ?**
- (2) How to get support for GWSP on global & regional water issues?**

***WGSP – ANSO/CNC will make contribution on
GWSP research on EA/AP regions in coming
years!***

***Any comment and suggestion
are welcome !***

Thank you !
