

Follow-on Activities

The Driver on our agenda (time)

What the WEFN Project needs to do:

- 1) Completion of the South African Workshop Report (January 31, 2017)
(RL, GJ, SSH, SM plus helpers)
 - will seek feedback and input from participants
 - will circulate draft back to you for comment (Silence means approval)

2) Completion of the W-E-F Nexus report for Future Earth
(March 31, 2017) (RL, CPW)

- will ask individuals for specific inputs
- Will identify you as one of the contributors to this initiative and provide feedback

3) Communicating the results of the workshop to the community (December 15, 2017)

- Posting the PPTs on the web – we need your approval and modification as necessary
- Summary report(s) for Newsletters, etc – who can lead
- Development of a community to exchange ideas
- consolidate groups to write proposals for the WEF Nexus
- find ways of getting support for WEFN activities.

4) Development of book and/or referred journal issue (AB, CPW, RL)

- Who would like to lead a paper?
